Reasons for Allowance

The following is an examiner's statement of reasons for allowance: applicant has rewritten previously objected claims 9, 11, 17, 33 and 42 into independent form. Further, newly filed independent claims 73, 80 and 87 have been drafted to include limitations previously indicated as allowable in the previous Office action. The prior art of record shows various devices that include jaws and means for adjusting roll and pitch (e.g. Knoepfler '747), but fail to disclose the specific means for selecting the roll position and maintaining the roll position using a spring means biasing a detent. The prior art also fails to disclose the device including jaws and means for adjusting the roll and pitch of the jaws and specifically an elongate handle with a distal axis longitudinally offset from the proximal axis and having an "S" shape as set forth in the instant applications claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael Peffley whose telephone number is (571) 272-4770. The examiner can normally be reached on Mon-Fri from 6am-3pm.
